Dear Madam,

It is really admiring that M/s New Era System Pvt. Ltd. successfully implemented an automated, web-based e-voting in Indian Radiological & Imaging Association (IRIA), New Delhi, India. The Indian Radiological & Imaging Association greatly appreciates the timely manner in which New Era undertook the e-voting project and returned quality output.

It is rare to find such high standards of sincerity and trustworthiness in the world of business today. It would be our pleasure to do business with you in the future too and I earnestly wish you the very best for a great future.

Thanking you,

Yours faithfully,

(Dr. Umesh Chandra Garga)
