## Letter of Appreciation

M/S New Era System was given the task of conducting the elections of the Association in 2012 after the mandate of e-voting. Under the able leadership of Ms Priyanka and her team, the e-vote was implemented and successfully conducted. Exemplary support to the candidates and voters was provided by the New Era System team right from the stage of acceptance of the nominations to declaration of results. Ms Priyanka and her team patiently replied to the queries of all the voters and candidates on phone and mail, and also forwarded all the queries to the Chief Election Commissioner AROI and other office bearers as required.

The Association is very happy and satisfied with the conduct of e-voting for the elections and proposes to continue the services of New Era System in future.
